Program Background

- Seed Investment from ARPA Allocation to Central Pines
- Local Capacity Gaps and Needs
- Federal Desire and Investment in Multi-Jurisdictional Applications
- Need for Better Data on Funding Trends and Grant Wins

Historic & Overwhelming Investment in Recovery

American Rescue Plan

\$1.88T in investments for COVID recovery and assistance programs at federal, state, and local levels

Status: *Wrapping Up*

Bipartisan Infrastructure Law (IIJA)

\$1.2T over ten years, including \$550B in new spending in the next five on surface transportation and core infrastructure (e.g. water, bridges, broadband).

Status: *Ending 2nd Year*

Inflation Reduction Act

\$500B in new spending and tax breaks that aim to boost clean energy (\$400M), reduce healthcare costs, and increase tax revenues.

Status: *In Process*

Structure of Program

Local governments opt into the program annually and pay an annual fee based on population size. CPRC provides capacity and guidance to assist participating communities with:

- tracking funding programs and determining eligibility
- developing competitive project concepts
- writing and/or reviewing applications
- engaging funding agency and conducting proactive outreach on programs
- evaluating application successes and longer-term trends
- facilitating internal prioritization and coordination of multi-jurisdictional grants

- **\$950,000 in Rural Transformation Grant funding for the Sanford Agricultural Marketplace** to serve as a community epicenter for celebrating Lee County's rich agricultural heritage while promoting the vibrancy and diversity of downtown Sanford through food and fellowship.
- **\$513,477 in COPS funding** for Fuquay-Varina, Morrisville, and Rolesville to support CALEA accreditation, crisis intervention and de-escalation, and community engagement, respectively.
- **\$1.5M Energy and Conservation Block Program** funds to conduct residential energy upgrades in Justice40 communities in Durham, Granville, and Orange counties.
- **\$245,000 in Safe Streets for All** funding to develop vision zero plans and data analysis for Morrisville, Sanford, Lee County, and Broadway.
- **\$250,000 in Golden Leaf Flood Mitigation** funding for Pittsboro to address a flooding culvert downtown.

Grant Database

Central Pines utilizes a cloud-based platform called Airtable to track, monitor, and report on grant activities.

Local governments have

- access to the program dashboard for ad-hoc analysis of grants and updates on community-wide efforts.
- Access to automated email alerts on new grants in the database.

Make the most of Airtable.

- ✓ Plan ahead on funding opportunities
- ✓ Track community-wide progress on applications and awards
- ✓ Find meeting notes and next steps.

Central Pines Grant Assistance Community Dashboard

The dashboard contains:

1. Priority Areas: Your community's priority funding areas.
2. Grant Overview: An overview of funding opportunities in Airtable, including those that are logged to your community, and of those, the opportunities that are currently active for which you may consider applying. There is also the full table of funding opportunities, which you can filter to find those applicable to your community.
3. Application Overview: An overview of any upcoming, in progress, and complete applications. For any active grants to which your community is applying, there is also a calendar timeline of start dates, end dates, and other task deadlines.
4. Project Overview: An overview of projects that are underway or upcoming in your community.

Success Stories- SWIFR Grant

Solid Waste Infrastructure for Recycling: *Convenience for All: Renovation and Re-design of the Redwood Convenience Site in Eastern Durham County*

Recipient: Durham County

Amount: \$3,313,200

- Allow Durham County to renovate and re-design the Redwood Convenience Site in eastern Durham County. The Redwood Convenience Site is a drop-off station serving historically disadvantaged neighborhoods in the eastern portion of the county. The site collects municipal solid waste (trash), yard waste, furniture, white goods, textiles, special wastes, and traditional recyclables such as paper, plastics, metals, and glass.
- Only award in North Carolina; only 25 total awards total.
- CPRC led the grant writing and submittal process.

Success Stories – Youth Homelessness System Improvement (YHSI) Grant

- Amount: \$1,661,031
- Diverse partners:
 - One regional government (CPRC)
 - Four local governments
 - Five community-based partners
- Conducted two consultations with almost 80 youth-serving organizations, spanning justice courts, foster care, Departments of Health and Human Services, etc.
- Improved knowledge of the topic area and the needs around the system's complexity.
- Continue to the communicate with participating organizations (continue the conversation by sending relevant funding sources).
- Throughout proposal's development, introduced staff within municipal and county governments, and the region's Continuums of Care – creating opportunities for peer exchange.

NARC 2024 Achievement Award

Program Challenges

- Reliance on federal and state policies that focus funding to local governments
- Local capacity for project implementation
- Data gathering on disadvantaged communities

Small Towns & Grants

**Small Towns
Thrive**

**Grant
Readiness**

Identifying the Need

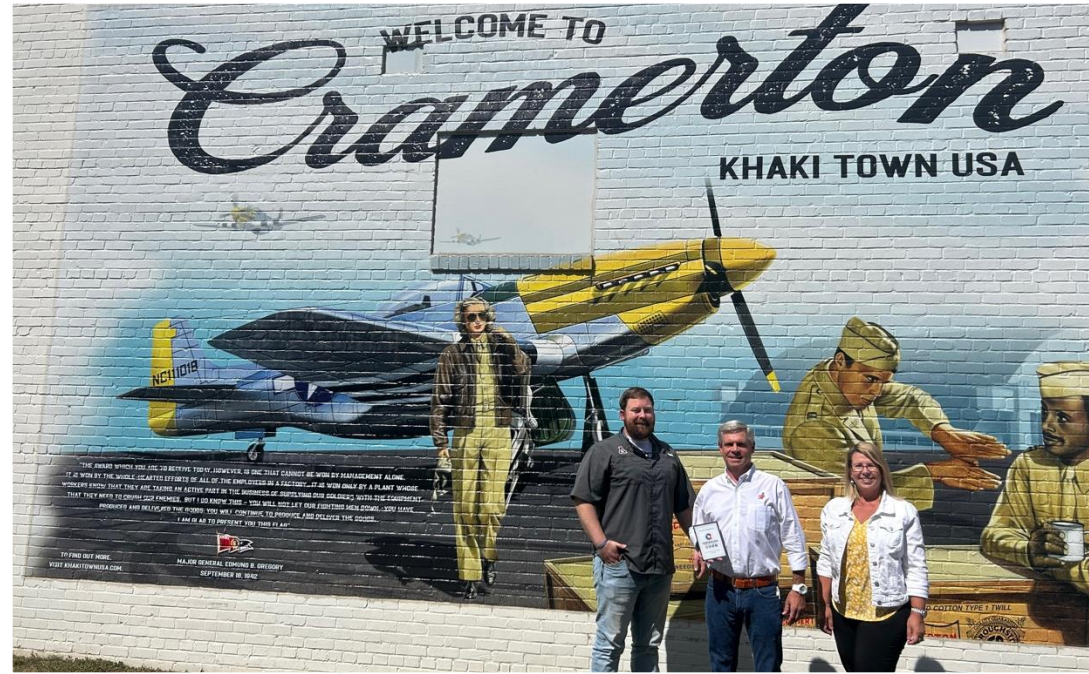

Common challenges:

Growth impacts

Infrastructure funding

Recruitment & retention

Limited time for professional development

Implementing a Solution

Our Goals

*Strengthening
Local
Government*

*Enhancing
Staff
Capacity*

*Managing
Growth*

*Creating
Networking
Opportunities*

Small Towns Thrive: 3 Focus Areas

Educational Resources

- Informational materials, workshops, and trainings for local government staff and elected officials

Direct Technical Assistance Services

- Meeting facilitation, human resources management, and code enforcement

Peer-to-Peer Program

- Bimonthly virtual sessions focused on specific topics of interest to small towns

Peer-to-Peer Session Topics

Community Engagement

Strategic Planning

Social Media

Personnel & Operations Policies

SMALL TOWNS THRIVE

Social Media Guidance Document

The Small Towns Thrive initiative helps communities build local capacity, create connections and address needs that are unique to smaller towns. The program has three areas of focus: education, peer learning and technical services, all aimed at empowering community staff and fostering efficient, effective and resilient governance.

Evaluating Outcomes

FY24 in Numbers

7 Communities assisted through individual technical assistance projects

11 Convenings held

4 Peer-to-Peer sessions

7 Trainings and workshops

4 Informational guidance documents shared

Evaluating Outcomes

Peer-to-Peer Impact

1-on-1 Connections

Expanded Engagement

Geographic Mix

"Those of us serving in small communities greatly appreciate and value the services provided by Centralina and your ability to help us come together, learn from each other, and find opportunities for partnership."

- Town of Spencer

Evaluating Outcomes

Overall Value

Informed decision making

Increased shared learning

Greater sense of regional community

Small town assets to leverage

Spotlight on best practices

Deep engagement

Strengthened relationships

"This was the first time the Council has had a facilitator, and they loved it."

- Town of East Spencer

Lessons Learned

Redefine your idea of "success"

Start with what you already have

Leverage your partnerships

THANK YOU

COLORADO GRANT NAVIGATOR PROGRAM

Increasing Capacity for
Small, Rural Governments

About Region 9

- Five counties, ten municipalities, two Tribes -- Population \$100K – 26 Board members
- Economic Development and Council of Governments
- Oversee Region’s Comprehensive Economic Development Strategy (CEDs)
- Regional “middle mile” broadband infrastructure & housing coordination
- Facilitate state incentives
- Grant Navigator
- Regional Transit/transportation coordination
- SouthWEST Opioid Response District (SWORD)
- Business Loan Fund

Region 9 Grant Writer

- ❑ Need for capacity building in member governments – missing opportunities
- ❑ COVID/funding

- ❑ Hired contract position Jan 2022 to:
 - *Research grants for all (govt, NP, business)*
 - *Grant Digest*
 - *Proofing/reviewing grants for all*
 - *Seek funds for Region 9 EDD*
 - *Write grants for member governments*
 - *Develop fee for service component*
 - *No compliance component*

Grant Criteria/Priorities

1. Is the project for a local government entity or regional initiative?
2. Do you have a grant opportunity identified?
3. Does the funding opportunity require matching funds? If so, do you have matching funds secured?
4. Is your government entity/board supporting this project, grant application, and any necessary matching funds?
5. Is the project part of your Community Development Action Plan? (CDAP)
6. Duplication or regional opportunity?

<https://region9edd.org/grant-writing>

Investment

The General Assembly passed Senate Bill 22-215 and Senate Bill 23-283 to create the IIJA/IRA Cash Fund

Total investment = \$169M

State Priorities:

Broadband

Water supply, quality & drought mitigation

Transportation

Disaster preparedness and resiliency

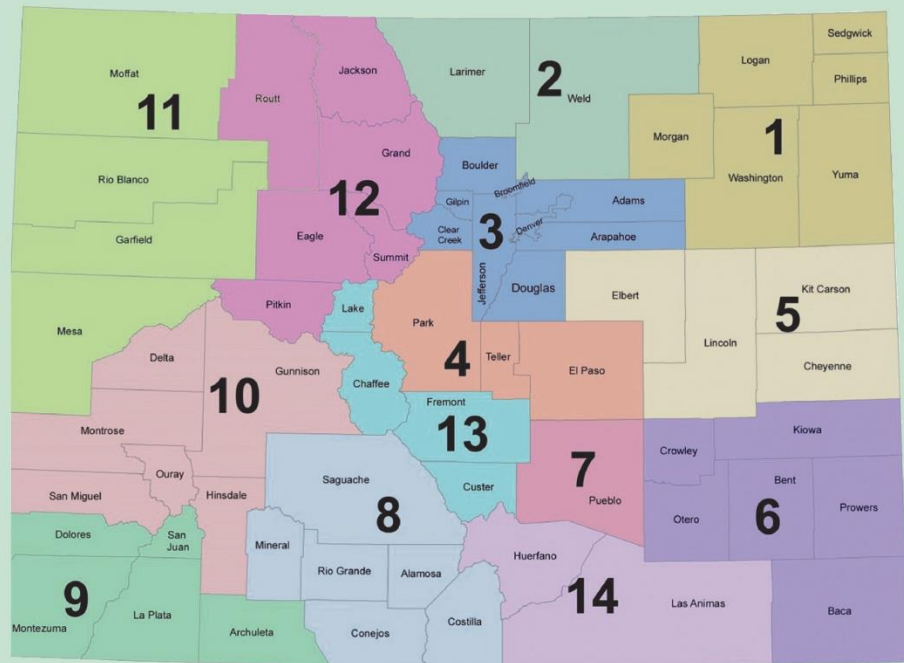

Expanding access to affordable & secure clean energy

Energy efficiency and affordability

Grant Navigator Program

COLORADO PLANNING AND MANAGEMENT REGIONS

“We want Colorado to get it’s share of funding.”

- Summer 2022 Governor’s Office **wanted** to fund grant navigators*
- Approved \$100K a year for 2 years in each of Colorado’s 14 regions
- Start date @ Feb. 2023
- Funded by IIJA and must used for Federal funding only
- Included ARPA
- Monthly meetings and reports
- All regions slightly different structure/job

RESPONSIBILITIES OF THE RGNS

- ◆ Communication, Outreach & Engagement with Local Governments
- ◆ Understand Infrastructure Needs, Projects and Plans
- ◆ Research Federal Grant Opportunities
- ◆ Assist in Grant Writing and Application Submission
- ◆ Increase the Grant Management Capacity of Jurisdiction's Staff

CATALYSTS

CHAMPIONS

CONVENERS

CONNECTORS
